

The Abandoned House

5th Grade • Making Inferences • Reading Comprehension

Reading Passage

The windows were shattered, and ivy had grown over the front door. A layer of dust covered the porch swing, which creaked in the wind. The mailbox was overflowing with yellowed letters dated from three years ago. Inside, furniture was covered with white sheets.

Comprehension Question

1. What can you infer about the house?

- A) No one has lived there for a long time.
- B) The family is on vacation.
- C) It is a brand new house.

Answer Key

1. A
